## RASA TABLA

RASA Music, led by DJ/producer Donna D'Cruz, boasts that its base is "that magical place where sensuality, spirituality and style converge". Rasa fuses music, poetry, aromatherapy, spiritual and world traditions, as in best-selling music/poetry CD series A Gift Of Love by Deepak Chopra and Friends (featuring Madonna, Demi Moore, Antonio Banderas, Rosa Parks, Marisa Tomei, Christy Turlington, Angelica Houston and Sinéad O'Connor), as well as healing and meditational CDs. D'Cruz has released chillout and world dance compilations RasaMello 2 and RasaExotica 2 (Rasa Mello 3/RasaExotica 3 are out soon). Rasa is also introducing tabla goddess Suphala's CD The Now.
